

## **Troupe Rules & Code of Conduct**

**September 2017 – July 2018**

I understand that being a member of the XLR8 Elite Troupe is my own choice and that I have worked hard to earn my place and was successful in my audition, therefore I will:

- Always attend practice on time and if I am going to be late or I cannot attend to let Lianne know ASAP.
- Leave my phone at home/place in the XLR8 phone box for the whole of class.
- Listen to all teachers during teaching.
- Try my hardest in every lesson – fun & fitness – 100% commitment to the troupe and each other!
- Be respectful to all teachers and my peers.
- Leave any bad attitude at the door before entering class
- Wear correct XLR8 Uniform – t-shirt/leggings and appropriate dance attire including footwear to every class and have hair tied back.
- Always bring XLR8 notebook & pen to class

I understand that if I cannot follow these rules that my place at troupe may be offered to someone on the waiting list.
